VIGNERONS, CHAMBRES ET TABLE D'HÔTES

# Patator

Vin de France

---

2021, frost, rain and cold.

After several warm years, 2021 is a typically old fashion year. We were not sure to do red wines but Gamay could bear hard vintage if we harvest as late as possible.

So, Patator 2021 is definitely a refreshing and easy drinking gamay.

Harvest 15th of October.

## BLENDING

100% gamay

## SOIL

Clay soil. "Petite Fin", Bulligny.

## VINEGROWING

Organic conversion.

Hand picked.
